

BIKE CAMP BICYCLE SAFETY CHECK FORM

CAMPER INFORMATION

Thank you for taking time to ensure that your child's bicycle is safe and ready for Bike Camp. Bicycle Safety Checks at the Community Cycling Center Bike Shop are free until Saturday before camp.

Camper must be present for the safety check. If the camper is not available for the safety check, please contact us prior to the appointment to arrange for a fit check on the first day of camp.

If the Bicycle Safety Check has not been completed by the end of the day on Saturday prior to the first day of camp, there will be a \$25.00 late fee.

Parent/guardian, please complete this section.

Camper Name: _____

Camp Attending: _____ Camp Date: _____

Important Note: If a repair is needed for a bike to meet the safety check, please be prepared to pay for all parts and labor costs. The Bicycle Safety Check is only an assessment of the camper's bike and does not include repair costs.

Bike Requirement by camp:

CAMP:	REQUIREMENTS:	CAMP:	REQUIREMENTS:
1 st - 4 th graders (incoming)	<input type="checkbox"/> 2-wheeled bike <input type="checkbox"/> No Training Wheels	5 th - 10 th graders (incoming)	<input type="checkbox"/> Handbrakes <input type="checkbox"/> Multi-Geared Bike

Important Note: If you do not have the required bike for your camper's grade level, please contact us at bikecamp@communitycyclingcenter.org to inquire about using one of our loaner bikes. Having the right bike will help your camper ride at a similar level as the rest of the group.

FIT CHECK:

To be completed by a professional mechanic

Bike Shop: _____ Mechanic Name: _____

PART 1 OF 3-BIKE FIT REQUIREMENTS:	MET	NOT MET	DATE REPAIRED
Rider has at least an inch of clearance			
Rider has full leg extension from seat to pedal			
Rider can reach controls			

Important Note: We will not accept a bicycle that is **too large** for your child due to safety concerns. We will accept a bicycle that is **too small** for your child since it does not pose a safety concern, however, it is not ideal for

the amount of riding that we do at camp. Please contact us at bikecamp@communitycyclingcenter.org to inquire about using one of our loaner bikes.

BICYCLE SAFETY CHECK:

To be completed by a professional mechanic

Mechanics: Please check the boxes below and if repairs have been made, please include the date the repair was made.

PART 2 OF 3- SAFETY REQUIREMENT	MET	NOT MET	DATE REPAIRED
If any of the safety requirements below are not met, a completed repair ticket must be included with this form.			
Frame and fork are straight, aligned and without cracks or damage			
The following are secure: Handlebar, stem, seat post, wheels, crank, and pedals			
Brake system operates smoothly, is secure, and the pads are not worn out.			
Bearing systems sufficiently adjusted			
Chain does not fall off under any circumstances			
Chain is not bent, stiff, or excessively worn			
Wheels not rubbing brakes at any point, brake surface is sufficient			
Tires have sufficient pressure, tread and sidewall reliability			

PART 3 OF 3- PERFORMANCE RECOMMENDATIONS:	MET	NOT MET	REPAIR DATE
The following recommendations will help your child keep up with the group and get the most out of camp. While these are not required, they are highly recommended.			
Seat post and stem are movable			
Wheels true, round and evenly tensioned			
Bearing systems are well greased and adjusted			
Derailleurs and shifters are optimal			
Freewheel/cassette, chain, and chain rings are not worn			
All cable and housing is smooth, not kinked, not frayed			

IF YOU HAVE ANY QUESTIONS, PLEASE FEEL FREE TO CONTACT US AT BIKECAMP@COMMUNITYCYCLINGCENTER.ORG
